# REMOVE RUST!

## 3 EASY STEPS

## Metal Rescue™

### Rust Remover Bath

Metal Rescue™ is the clean, safe and easy solution for removing rust from iron and steel. It's safe for use with bare hands, so when we say *Safe on Everything Except Rust*™ - we mean it! Follow up with Dry Coat™ Rust Preventative to prevent rust from returning. Workshop Hero™ products Metal Rescue™ and Dry Coat™ have been designed to take the "work" out of any workshop.

- Safe
- Clean

## Rust Remover Bath

WSHFFGEN0513

**SAFE ON EVERYTHING EXCEPT RUST™!**

## WHAT PEOPLE ARE SAYING:

"Metal Rescue™ is easy, you don't have to scrub it, you don't have to water blast it, you just let it sit in a plastic tub and when you're done pour it back in the bottle!"

**Glenn Haege**
*America's Master Handyman of The Handyman Show*

**PERFECT FOR:**

Household tools • Garden tools • Shop equipment • Antiques
Chrome parts • Classic car restoration • Any rusty steel or iron part

**DRIES TO THE TOUCH!**

## METAL RESCUE™ REMOVES RUST & DRY COAT™ KEEPS IT THAT WAY!

**DRY COAT™ Rust Preventative of the Workshop Hero™ line of products is your clean, safe and easy solution to preventing rust on iron and steel.**
