

BULK PACKAGING RECOMMENDATIONS

Bulk Metal Parts

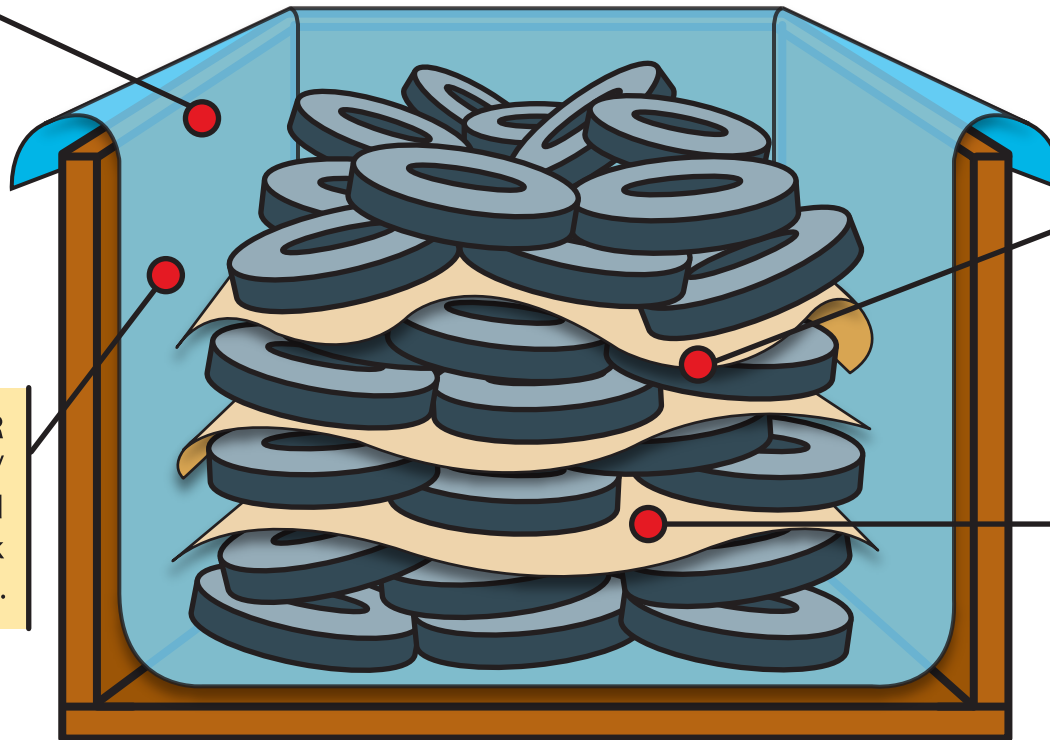

IDEAL FOR: clutch plates
brake parts
stampings
forgings
castings

Cut-away view of full bag lining bin.

ARMOR WRAP® VCI Paper interleaving

Add additional ARMOR WRAP® VCI Paper to bulk packs that have a high amount of metal surface area.

Line bin with ARMOR POLY® VCI Bag and close/seal securely. Recommend 4 mil thickness for bulk parts with sharp edges.

Please note that these recommendations are based upon "Best Practices" developed by ARMOR Protective Packaging® professionals in conjunction with our customers. Since every situation is different, ARMOR recommends conducting a "real life" test shipment for best results.
