

INDIVIDUAL PACKAGING RECOMMENDATIONS

Long Cylinders in Wood Crates

IDEAL FOR: valves
cylinders
export
extrusion tube

Line crate with ARMOR POLY® Film (minimum 4 mil thick). Secure film with tape, staples or heat seal.

Insert ARMOR PAPER into cylinder for protection on inside of tube.

For highly valuable parts or items susceptible to rust wrap entire cylinder with ARMOR WRAP® PAPER

Please note that these recommendations are based upon "Best Practices" developed by ARMOR Protective Packaging® professionals in conjunction with our customers. Since every situation is different, ARMOR recommends conducting a "real life" test shipment for best results.
