

ARMOR PROTECTIVE PACKAGING®

INVISIBLE ARMOR™

DATA TRACKER

ACTIVATE YOUR DATA TRACKER

STEP-BY-STEP GUIDE

- 1 Save your unique 7-digit code before launching your tracker. You will need it to track your INVISIBLE ARMOR™ and access its data.
- 2 Press and hold the green “START” button for 3-5 seconds until the top light to the right of it blinks several times. Once activated, light will shut off.
- 3 Pack and ship your INVISIBLE ARMOR, placing it near an opening and away from obstructions. Do not block tracking sensor. Wait approx. 10 minutes after activation before tracking online.

Note: contains lithium
