# TERMS AND CONDITIONS

**ARMOR Stock & Ready™ Promise:**

- All items on the Stock & Ready product list are in-stock and ready-to-ship with no order minimums.
- Stock & Ready orders placed by 1 p.m. EST will ship by next business day.

**Stock & Ready Shipping Standards:**

Orders for ARMOR stock items received by 1pm EST will ship next business day.

Orders for ARMOR stock items received after 1pm EST will ship 2nd business day.

\*\*Excludes holidays and weekends

Customers may choose to use their preferred freight company but carrier availability could impact exact ship date.

Stock & Ready orders are capped to ensure that orders will ship within the timeframe outlined in the Stock & Ready Shipping Standards. Maximum order is defined on the Stock & Ready price list—it is the final quantity break listed for each product (in many instances, it can be a full pallet). Higher quantities are welcome but may require additional lead time.

If a combined order of custom and stock items is placed, the custom items will dictate overall shipment lead-time. If indicated, the order can be split – with stock items shipped first\*\* and custom items shipped separately, once they are available.

\*\*Stock items ordered must meet Stock & Ready Shipping Standards to qualify. Additional shipping charges will apply once custom portion of order is sent.

Expedited and/or same-day shipments are defined as those outside of the Stock & Ready Shipping Standards. If rush shipment falls outside of the shipping standards cut-off time, a \$50 fee may apply. For same-day shipments and pickups, order must be received by 12pm EST and meet requirements of UPS Ground – Small Parcel transit. ARMOR will make every effort to accommodate requests. Expedited shipping charges apply.

ARMOR Overstock items listed on the Stock & Ready product list  (indicated by the green "Overstock" stamp) are final sale and are not eligible for return or exchange.

For information on your specific Stock & Ready order or shipping questions, contact an ARMOR Customer Care Consultant at 800.365.1117.
